24th May 2018

Dear Parents,

Classroom and Staffing Arrangements for September

Planning and preparation for September is well underway. In line with what was discussed in our Vision Exercise Parent Sessions, we are working to a classroom arrangement with the Infants in one class but benefitting from the additional space afforded by the building work completed over the Summer holidays. This will present a lot of exciting opportunities for the Infant children and help us to further optimise your child's education.

I am sorry to say that Miss Payne has applied successfully for a teaching vacancy at Cotmanhay Junior School near Ilkeston and will leave Mugginton at the end of the academic year. The governors and I would like to thank Miss Payne for the hard work she put in over the summer to re-energise the classroom and for all her work with our children. She will be absent from Mugginton tomorrow to attend an INSET Day at her new school. Miss Payne will be missed and we wish her well.

Please rest assured that the continuity and quality of your child's education will not be affected.

Firstly, Mrs Wallen, Mrs McKay, Mrs Sweeney, Lee from Premier Sports and Lauren from Amber Valley Sports Partnership will continue to work with the Infants every week. In addition, Mrs Wallen has agreed to work on Fridays from September, so there will be an experienced, qualified teacher, familiar to the children, with the children all week, alongside a new member of staff.

We will look to appoint a new teacher to work full time with Mrs Wallen and support staff in the Infant classroom. However please rest assured that great care will be taken to make sure that the right person, with the right vision and values, joins our school – they will be lucky to do so!

Thank you very much

Mr Walton, Mr Green and the Governing Body
