

Re-opening Mugginton CE Primary after Lockdown **Updated 3rd January 2021**

(responsible person: Joseph Green)

This Mugginton-specific Risk Assessment has been prepared by the Designated Safeguarding Lead, Joseph Green. Full account has been taken of key DfE & Derbyshire County Council Guidance (Action Guide for Wider Opening and Risk Assessment; Coronavirus Covid-19 RA; Caretaking and Cleaning Coronavirus; Enhanced Cleaning and Disinfecting Coronavirus; HR FAQ, School Reopening; PPE Requirements for Staff; Early Years PVI FAQ).

Hazard	(Potential) Risk	Risk Rating	Controls	Additional Controls If required
Children contracting coronavirus	Infected child or staff member in school	Medium	<p>Parents with children at 'high risk' from covid-19 to speak with Headteacher to plan individual return to school plan.</p> <p>Staff and key governors met in school for preparatory meeting and training on 27.5.20.</p> <p>Updated Covid Policy and RA emailed to parents on 3.1.21. January INSET set aside to go through policy and RA with staff.</p> <p>Parents of children returning to school given unequivocal message by text, email and letter – anybody in household showing sustained symptoms of Coronavirus, 14 days isolation. The guidance now requires 10 days isolation. Parents and child strongly advised to take a covid test as soon as possible.</p> <p>Child who becomes unwell with Covid symptoms at school to be sent home immediately and parents strongly advised to take child for testing before minimum 7 days isolation or negative test result. Child with confirmed negative test result able to return to school immediately. Text sent to parents of other children in school alerting them to an (anonymous) child if sent home. Until confirmed case, other children do not need to self-isolate, unless showing symptoms.</p> <p>If confirmed case, school to close to all pupils for two weeks.</p> <p>In event of parent showing symptoms, child to be kept off school until negative test result confirmed. In event of parent testing positive, their children to be kept off school for two weeks and all families with children attending school to be notified via text message.</p>	<p>If confirmed case, school to close for two weeks and review Risk Assessment. Public Health England to be informed. Engagement with NHS Track and Trace.</p>

			<p>Parents apply for a test here https://www.nhs.uk/ask-for-a-coronavirus-test</p> <p>Staff, governors here https://www.gov.uk/apply-coronavirus-test-essential-workers</p>	
	<p>Child or staff member contracting because of poor hygiene practices</p>	<p>High</p>	<p>Staff to follow government guidance on hygiene practice – frequent washing of hands for 20 seconds continuing successful hand and respiratory hygiene system introduced in June 2020. Hand sanitizer available in every room of the school and taken outside by staff member.</p> <p>Children to be reminded frequently of importance to wash hands, cover mouth when coughing and sneezing (respiratory hygiene) and avoid putting objects into mouths. ‘Catch it, Bin it, Kill it.’ Tissues to be deposited into bags in bins - bag to be removed every break-time if contains tissues by PS.</p> <p>Staff-supervised hand-washing every hour and at the beginning of every school day. ‘Top-ups’ using hand sanitiser.</p> <p>Children across school treated as a single Bubble</p> <p>Children separated in to three groups in school in forward-facing desks (KS1 & KS2). Children able to socialise together on the playground. Encourage all children to try to avoid touching face, hair and mouth.</p> <p>Children to be taught in groups of no greater than 15 children. If risk of exceeding 15, the Rainbow Room to be used as an ‘overflow’, supervised by Mr Green. Children in this group to enter/exit the building via the Sunshine Garden. Children now able to be educated in larger class-sized groups.</p> <p>Children whose parents request they wear face mask to be helped to do so. Staff to wear gloves if assisting child with facemask.</p> <p>Classrooms to be kept well ventilated, with windows open.</p>	<p>If significant danger of second spike, all children and staff to wear face masks and additional PPE options to be researched. Advice sought from PHE, DFE and relevant medical guidance and review safety of school opening</p>

	Child or staff member contracting through unnecessary physical contact	Medium	<p>Staff-staff social distancing of 2 metres whenever possible Maximum of 12 children in each classroom for week one. Week two capacity to be increased to 27 in total, with infant classroom separated in to two teaching spaces. Desks arranged one pupil per table in fixed seating arrangement. From Week Three onwards, children taught in groups of up to 15 children. Children separated in to three groups of fifteen. Overflow in Rainbow Room if necessary. Full classes with forward-facing rows in September to continue in January 2021. Playtimes and lunchtimes to run as normal but with limited activities – no ‘tag’ games or games which involve prolonged physical contact. If weather permits, lunches to be eaten outside on the playground. At playtimes, children are to try to line up at least one metre from the person in front of them. Lunchtimes. Children to eat outside whenever weather allows. When impossible, children to eat in their place. School lunches to be prepared in white recyclable paper bags so no need for queueing or place-changes and easy distribution. This arrangement to continue in January 2021.</p>	If issues with distancing occur at beginning and end of school day when parents are around, staggered arrival times to be considered
	Child or staff member contracting through unavoidable physical contact	Medium/High	<p>If a child requires first aid, they are to be treated as normal. They can be comforted and treatment applied. Normal first aid procedure: gloves and surgical wipes. If staff feel safer wearing a mask/visor they do so but must explain what they are doing to reassure the child. Morning collective worship to explain staff use of basic PPE – gloves, perhaps mask (completed 1.6.20). At times of unavoidable contact/close proximity to children, staff must make such interactions as brief as possible whilst bearing in mind the impact of their actions on the child. Examples include helping children in and out of clothing; doing shoelaces, passing items to and receiving items from children and smaller children encroaching the recommended two metre distance for a cuddle/interaction/to ask a question. Gloves are always available to staff if they choose to wear them. Gloves to be removed and binned safely after task is finished.</p>	

	<p>Child or staff member contracting through touch of infected area</p>	<p>Medium/High</p>	<p>Cleaner on site all day to wipe down common-touch areas, door handles, taps, tables. PPE (gloves, facemask, apron provided for her safety).</p> <p>Equipment to be wiped down regularly and cleaned at the end of each day. Cleaning wipes/cloths to be double bagged and thrown away in outside wheelie bin.</p> <p>Common-touch areas to be removed where possible. Door buzzer to be disabled with clear sign indicating that delivery drivers/other visitors must ring office and wait outside on 'X' marked on ground. Sign attached to gate indicating that access to playground by anybody outside of school hours is forbidden. Playground to be closely monitored. No use of climbing apparatus and wheeled toys not used for first week (then reviewed) Wheeled toys only in use for specific small groups of children under teacher-supervision. Firemans' pole to be used in Week Two and wiped down before playtime and lunchtime begins. UPDATE, wipe down after each play session, including wooden handrails. First wipe down by cleaner before school.</p> <p>Playground gate to be wiped down with anti-bacterial spray and wipes / tissue on entry and exit. Double bagged and thrown away.</p> <p>Gate only opened and closed by an adult. Children to wash hands on entry back into school before sitting at their desks or removing coats etc.</p>	
	<p>Child or staff member contracting through use of infected school stationery</p>	<p>Low</p>	<p>Children able to bring their own stationery for personal use with frequent reminders not to share with their peers. Children without their own stationery to be given cleaned pens, pencils, glue, scissors, books etc to be kept in tray under desk. Infant class children to use stationery provided in pot on their table. These to be cleaned at end of every school day.</p> <p>Marking/feedback in mathematics to be completed by child themselves. Literacy feedback to be verbal.</p> <p>School reading books returned to school to be left for 72 hours and wiped down before being returned to school bookshelves.</p> <p>Marking/feedback of books to be completed as normal. Reading book system to return to normal.</p>	

<p>Staff / Visitor / Parent/ Relative contracting Coronavirus</p>	<p>Staff coming in to contact with infected child or colleague</p>	<p>Medium</p>	<p>Staff advised to wash their work attire and shower on daily basis. Staff required to receive a coronavirus test (even if asymptomatic) at least once every two weeks. School closed to pupils on first three Fridays of June for staff to travel to Nottingham testing centre. Immediate notification to all and self-isolation for minimum of 14 days if test returns positive reading. School to close for following two weeks minimum.</p> <p>Friday closure to continue until the end of the academic year.</p> <p>School open five days a week from September. Before and after school clubs to re-start from Monday 7th September.</p> <p>Parents, visitors not allowed to enter school. This policy to remain.</p> <p>Unavoidable visits (work people etc) to register using our school track and trace system. Children to be collected from the playground at 9am and dismissed by staff member at door at the end of the day. Deliveries to be left outside on school bench, in clearly identified boxes. Door buzzer disabled and clear sign to ring school office and stand on clearly marked 'X' put up.</p> <p>School to remain open five days per week with before and after school clubs available from Tuesday 5th January.</p> <p>In the case of a positive test result, parents notified by text and school closure until at least end of the week.</p> <p>School dinners to remain unavailable. Children to require a packed lunch until the end of the academic year.</p> <p>Lunchtimes. Children to eat outside whenever weather allows. When impossible, children to eat in their place. School lunches to be prepared in white recyclable paper bags so no need for queueing or place-changes and easy distribution.</p>	
	<p>Visitor to school such as delivery person / member of local community coming in to contact with staff / children</p>	<p>Medium</p>	<p>Visitors not allowed in to school or playground (except for parents & siblings at the beginning of the day). Sign on playground gate – 'Playground currently out of bounds to all non-school related activities, do not enter.'</p> <p>Buzzer disabled, deliveries to be left on bench outside school.</p> <p>Unavoidable visits (work people etc) to register using our school track and trace system.</p> <p>Track and Trace system to continue to be used in 2021</p>	

	Infected Parent / relative coming into contact with child or staff member	Low/Medium	Bus Stop sign on display with message reminding parents to social distance. Parent/relatives not allowed in to school and reminded to social-distance from staff and other parents. Concern over social distancing at collection and drop-off. If concerns remain, small number of parents able to drop their children fifteen minutes later than usual and collect their children 15 minutes earlier than usual by prior arrangement.	If concerns raised, staggered collection and drop-off times to be used
Safeguarding	Staff illness/absence leads to unsafe pupil-adult ratios	Low	Staff numbers kept under constant review. Significant increase in staffing levels from 29.6.20 to manage increase in children. Designated Safeguarding Lead or Deputy on site at all times children are present. Higher Level Teaching Assistant to be asked to cover/provide support in event of staff absence. If Headteacher becomes unwell, school to close. This policy to remain into 2021	If Headteacher decides ratio is unsafe, school to be closed. Notification to parents via text
	Vulnerable child unsupported	Low	Provision closely monitored by Headteacher/DSL	
	Child makes comment which raises possibility of threat to safety	Low	Follow normal safeguarding procedure – incident to be logged on safeguarding form and reported to Designated Safeguarding Lead or Deputy immediately	
	Child or adult injured at work	Low	Follow normal first aid training procedure. Staff able to use face mask, gloves apron but must explain to child clearly what they are doing to avoid confusing or upsetting the child further Fire alarm drill to be conducted each week (completed 4.6.20; 9.6.20; 16.6.20; 23.6.20)	

Staff and children's mental health at risk	Staff member put under unmanageable stress level as result of re-opening	Medium	<p>Regular (minimum, daily) check in with Headteacher (at 2 metre distance). Constant email support available to staff working from home.</p> <p>Staff made aware of mental health support at derbyshirehealthcareft.nhs.uk/coronavirus 03007900596</p> <p>Governors to monitor school staff/HT mental health via email and telephone communication.</p> <p>Consider asking staff including HT to fill in Wellness Action Plan at end of first week (Friday 5th June). Staff happy with verbal discussion during after-school meeting (5.6.20)</p> <p>Staff with child-care issues as a result of Grandparents shielding to be able to leave school early to collect their own children or arrive fifteen minutes late to drop them off if necessary.</p>	
	Staff workload too high	Low	<p>Marking/feedback limited to verbal discussion with children in school</p> <p>Planning of activities shared between Headteacher (English & Maths for Juniors), Mrs Jones (Science, Wider curriculum), Mr Clarke (Middle Group English & Maths) and Mrs Wallen & Mrs Hardwick (Early Years, Year One, Phonics)</p> <p>September: return to normal marking/feedback systems.</p>	
	Children confused and upset by change to normal school routines and practices	Low/Medium	<p>Staff to project sense of 'normality' to children. Environmental changes only made when necessary, such as tables and chairs being moved.</p> <p>No 'warning tape' used to mark 'no go areas' in school, only 'X' on ground outside school. Outdoor learning, weather permitting, every afternoon to offer greater sense of normal Mugginton life.</p> <p>Outdoor activities such as gardening, walking, running used to promote good sense of wellbeing.</p> <p>Daily communication with parents after school, from 2 metre distance, and via email.</p>	
	Children frightened by threat of them or somebody they love contracting Coronavirus	Medium	<p>First two mornings to begin with Collective Worship/PSHCE sessions with each group. Open-ended, child-led sessions which staff will use to reinforce our key messages and praise/reassure children. Children able to use this time to ask questions or talk about worries they might have.</p>	

<p>A second / third wave causes another school closure. Children unable to return to school affected academically and emotionally</p>		<p>Low</p>	<p>Continued use of the blog to share learning resources and ideas with children and parents. Identical mathematics and English plans and resources (eg class reader) used in school and at home. Regular (at least weekly) communication with all parents at school (if attending) or via email communication with the Headteacher. Zoom/recorded collective worship and personal messages for those children who cannot yet attend school. Mrs Dennis to arrange telephone calls with children/families who do not interact via blog and to explore possibility of a whole school/class Zoom meeting.</p>	<p>If serious concern arises, consult SSEN and Educational Psychology services</p>
