Mugginton CofE Primary School

Financial Procedures and Regulations, Roles and Responsibilities

A. Introduction

1. The School will comply with all accounting policies and requirements of the Authority.
2. These Financial Regulations and Procedures set out the duties and responsibilities of all staff and Governors in respect of the financial administration of the School, including the planning and control of the revenue budget and Devolved Formula Capital, the collection of income, and the security of School assets. Summary guidance on individual roles and responsibilities for the Governing Body/ Governors, Head Teacher and Bursar are included in Appendix 1.
3. Financial Regulations and Procedures govern the actions of all staff who have an involvement in the spending or collecting of money or any responsibility for the property of the School. They apply to all transactions even where the spending is fully reimbursable by a third party or where it is covered by any other form of income such as the Private School Fund, Parent Teacher Association or a grant. These regulations also apply to any trusts or subsidiaries that the School may control or operate, e.g. School Fund, tuck shop.
4. No payments should be made through the School's financial accounts for any personal or private purchases. Personal items must not be delivered to School address or personal use made of any school contract.
5. The overall responsibility for the expenditure of the School's delegated budget and other School finances is that of the Governing Body. The Head Teacher should provide budget monitoring reports to Governors six times a year in order to comply with the requirements of the Schools Financial Value Standard (SFVS). An annual Financial Skills Matrices should also be completed by all members of the Governing Body to ensure sufficient financial knowledge and support is available.
6. The Head Teacher has responsibility for ensuring that all relevant staff, agency workers and volunteers are aware of or have access to these regulations and procedures, understand their requirements and are made aware of any future changes agreed by the Full Governing Body. Should any doubt exist on their meaning, the Bursar/Head Teacher should be consulted in the first instance and the Authority in the second instance. Failure on the part of any member of staff to observe Financial Regulations and Procedures may result in disciplinary action.
7. The Governing Body will appoint a Resource Committee with delegated powers according to the terms of reference agreed annually by the Full Governing Body (good practice to be the first meeting of the Governing Body in the Autumn Term). Minutes of all Resource Committee meetings will be taken and maintained by the Clerk to the Governors. These minutes should be reported to the Full Governing Body with the discussion and approval of the Committee meeting minuted. The Resource Committee should take no decision on any item having financial consequences without first obtaining a financial assessment of the initial cost and any future running costs.
8. These regulations and procedures may only be altered in the light of new legislation/regulations as advised by the Authority or to encompass changes in procedure brought about by new technology. They will be reviewed annually and kept up to date by the Resource Committee with final approval given by the Full Governing Body.
9. Governors have a statutory responsibility not to take part in the decision-making process relating to any purchase in which they, or immediate family members have a personal or business interest. This responsibility also applies to the School's staff. The Head Teacher, in consultation with the Clerk to Governors is responsible for maintaining a register of business

interests in respect of all governors and staff who may be in a position to influence financial decisions which must be reviewed on an annual basis.

10. The Governors will operate within the guidelines of the School's Code of Conduct when carrying out their responsibilities. The financial and governance arrangements of the School should be compliant with the SFVS which must be approved annually by the Governing Body and signed by the Chair of Governors prior to submission to Audit Services by the 31 March deadline set by the Department for Education.
11. It is the responsibility of all staff in cases of suspected fraud, misappropriation of funds, materials or equipment, or any other irregularities, to comply with the School's 'Whistle-Blowing Policy/Confidential Reporting Code': and to report immediately to the Head Teacher. The Head Teacher/Governing Body must report all such cases immediately to the Authority's Assistant Director of Finance (Audit), Audit Services Unit.

B. INCOME/BANKING

1. The Governing Body is responsible for drawing up a statement of its policy on charging and remissions. The Head Teacher in consultation with the relevant School staff shall undertake an annual review of all scales of charges with Governor approval sought for any changes made. Where lettings are also managed, a similar review should be undertaken.
2. The Bursar shall take prompt action to collect all amounts due to the delegated budget. All income shall be recorded at the point of receipt in a form approved by the Authority's Director of Finance & ICT. Official receipts must be made out at the time of receiving the income and copies retained in School. All income should be banked promptly and intact and the details entered into SAP. Two employees will be present to verify all totals which are to be presented to the Bank. This check should be evidenced by the signing / initialling of the paying in book counterfoil retained in School.
3. The Bursar, or if appropriate, the Clerk to Governors will raise invoices for lettings in accordance with the School Lettings policy creating invoices on SAP.
4. The Governing Body shall have the discretion to write off individual bad debts after all recovery options have been exhausted and in consultation with the Authority's Director of Legal and Democratic Services.
5. No sale of goods and services on credit shall be made without the prior approval of the Head Teacher and must be reported to the full Governing Body.
6. No proposals involving the generation of income should be implemented without prior consultation with the Governing Body.
7. The Head Teacher is responsible for ensuring the security, collection and banking of income due to the delegated budget.
8. Under no circumstances shall personal cheques be cashed from any school income.
9. The insurance limit for cash kept in a locked cabinet in an alarmed area with the key off site is £500. In an unalarmed area the limit is £250. The limit for the School's safe is £250.00 (latest limits can be provided by the Insurance section). If the safe is accessed using a key, then the key must be taken offsite in the evening/weekend.
10. Where a cheque is accepted as payment it should be made payable to Derbyshire County Council with the School cost centre number recorded on the back.
11. Where the Authority has arranged for a security firm to collect deposits a receipt should be obtained and retained for the current year plus six previous years. The Security Firm's receipt must be attached to the paying in slip and stored securely.
12. The use of online payment solutions should be controlled within schools with staff provided with unique user accounts and passwords. Transactions processed by online payments systems should be supported by an audit trail of activities. All payments received from online payment solutions must be paid into the delegated budget. A monthly reconciliation should be undertaken and documented to ensure the amount of money collected agrees to the School's official records.

C. EXPENDITURE AND ORDERS FOR WORK, GOODS AND SERVICES

1. The ordering of goods and services and the payment of accounts shall be in accordance with these financial procedures and advice from the Bursar/Head Teacher. 4. The Governors can approve expenditure from the delegated budget to meet the cost of capital expenditure on the School premises, subject to Section 2.14 of the Derbyshire Scheme for Financing Schools and the expenditure limits outlined above. Consequently, the School's tender limit is £15,000.00

- tendering below this if they feel it is of benefit on a specific scheme; and
 - reviewing their internal authorisation limits regularly as part of the SFVS governance framework.
1. Where the estimated value or amount of a proposed contract exceeds the School's tendering threshold, tenders shall be invited either by selective or open tendering as prescribed by the Council's Financial Regulations and Standing Orders relating to Contracts.

 3. The requirement to go to tender may be waived only by the Governing Body where they are satisfied that there are special circumstances justifying exemption. Such exemptions shall be recorded in the minutes with reason(s) for waiving the tendering requirements.
 4. An invitation to tender shall state clearly the closing date and time for receipt of tenders and that:
 - a) The Governing Body does not bind itself to accept the lowest or any tender.
 - b) No tender will be accepted unless it is enclosed in the special envelope bearing the distinctive label supplied with the tender form, properly sealed and addressed to the Head Teacher and either sent by post or hand delivered to the Head Teacher.
 - c) Proof of posting will not be accepted as proof of delivery if the tender fails to arrive at the address shown on the tender envelope label for the closing date and time.
 5. No tender received after the closing date and time shall be considered (any such tender will be returned to the tenderer unopened by the Head Teacher).
 6. Tenders shall be kept securely in the custody of the Head Teacher until the time and date specified for their opening.
 7. Tenders shall be opened at one time, which shall be as soon as possible after the closing date and time and only in the presence of three people appointed by the Resource Committee. Those people shall certify a list of tenders received.

Acceptance of Tenders

8. Acceptance of Tenders
 - a) A report shall be put to the Resource Committee if a tender other than the lowest, or payment to be received other than the highest are to be accepted clearly identifying the reason(s) for acceptance.
 - b) A list of tenders received identifying the tender accepted shall be reported to the Resource Committee with the successful tenderer minuted.

Alteration of Tenders

9. Alteration of Tenders
 - a) Once opened, tenders shall not be altered except that a tenderer may be given an opportunity to correct an error in calculation. When such an opportunity is given the tenderer shall be given no information about other tenders or the likelihood of the tender being accepted.

Quotations

10. Quotations
 - a) Where the estimated value of a proposed contract does not exceed the tendering threshold above but does exceed £1,000.00 alternative written quotations shall be invited by three firms/suppliers considered competent to perform the contract. (It is strongly recommended that where a planned project or purchase is non-routine and not obtained

from an approved supplier three written quotations are obtained irrespective of the estimated cost in order to demonstrate best value).

- b) The Resource Committee may waive the requirements for quotations below the tender limit where they are satisfied that there are special circumstances justifying exemption. Such exemption shall be recorded in the minutes.
- c) Under normal circumstances the School will award to the supplier quoting the lowest price or the Most Economically Advantageous Tender (MEAT). However, there may be times when the lowest price should not be accepted, and any such reasons for accepting a higher quote must be reported to the Governing Body and be recorded in detail.

Q. UNOFFICIAL FUNDS

1. The Governing Body has responsibility for the unofficial funds of the School. The Head Teacher shall report to the Governing Body on the unofficial funds.
2. The Head Teacher shall arrange for a suitable bank account to be opened for any unofficial funds. A minimum of two signatories for the bank account shall be reviewed by the Resource Committee and approved by the Governing Body. The number of bank accounts should be kept to a minimum. Bank accounts must be opened in the name of the School.
3. The Head Teacher is responsible for the maintenance of accurate financial records and banking records of all unofficial funds. The Bursar will maintain the records on a day-to-day basis with a cash book used to record all transactions on the computerised accounting system so that statements of income and expenditure can be generated at any time.
4. All payments must be supported by vouchers and receipts giving full details of the expenditure and made by cheque or debit card where applicable.
5. All income must be banked intact at least weekly or as the cash in hand exceeds £250. (Or approved limit for the safe if applicable).
6. The running of particular activities (e.g. School journeys, tuck shop etc.) should not necessarily fall upon the Bursar but those responsible must keep suitable records. In the case of educational visits and School journeys, the teacher in charge should keep a simple account of the money received and spent and should present a final statement to the Bursar, this should be entered on SAP and supported by evidence of expenditure (e.g. receipts, invoices etc.)
7. The accounts should be prepared to run from 1st September to 31st August each academic year and an annual summarised statement of receipts and payments, supported by the subsidiary records and vouchers, must be submitted for audit. The Governors should appoint an auditor that is independent of the operation of the unofficial funds and should not have had close connections with the fund or been involved in the fund raising activities. The audit should be undertaken annually in accordance with advice issued by the Authority's Director of Finance & ICT. It should be completed within three months of the period end and a signed certificate provided by the auditor that states the accounts represent a 'true and fair view' or include details why they do not. The accounts and the certificate should then be presented to the Governing Body.
8. No payments for overtime to members of staff or for payment of fees to staff for carrying out additional work as part of their normal duties should be paid out of the School fund. Under no circumstances must personal cheques be cashed from the School fund.
9. To provide transparency, summary information should be made available to interested parties with details published on the School's website including the auditor's certificate.

R. HOSPITALITY AND GIFTS

1. Hospitality may only be accepted where it is of minimal value, with no attached conditions, and there is a genuine need to impart information or represent the School. The acceptance of

hospitality must not create a conflict of interest or cause embarrassment to the School. The offer must be reported to the Head Teacher regardless of whether it is accepted. If hospitality is offered to the Head Teacher this should be reported to the Chair of Governors.

2. Gifts of a nominal value, up to the value of £50, with no attached conditions, such as calendars, diaries etc. may be accepted if they are retained within the School. Gifts worth more than £50 must not be accepted. Gifts of more than a nominal value offered to employees by contractors, organisations, firms or individuals should always be declined and must be reported to the Head Teacher.
3. If it is suspected that an improper motive may or is perceived to exist, i.e. the giver is seeking to influence decisions or actions, the offer must be declined and reported to the Head Teacher.
4. In no circumstances should a monetary gift be accepted and such offers must be reported to the Head Teacher.
5. All offers of gifts and hospitality should be recorded in a gifts and hospitality register whether these are accepted or declined. Annual review of the entries made in the register should be undertaken by the Governing Body with evidence of the review minuted.
6. Where delegated or unofficial funds are used to pay for staff hospitality e.g. to celebrate an Ofsted success or provide a meal on an inset day, this must be formally approved by the Governing Body with consideration given as to whether it is an appropriate use of funds. The hospitality is deemed a 'benefit in kind' and potentially has a tax implication should the value exceed £50 and as such must be notified to the Shared Services Centre. A number of exemptions apply whereby there is no tax implication and as such no need for notification with further information available at;

S. RETENTION OF RECORDS

1. All financial records should be retained in accordance with the Authority's retention guidelines. The majority of financial records should be retained for six years, plus the current year, or back to the previous audit inspection, whichever is the longer period. Certified, paid invoices must be kept for the current year plus the previous six years in a safe, secure environment which will enable easy location and be available for inspection by HM Revenue and Customs (HMRC). Schools using SAP will not retain invoices as they are sent to the County Council where they are scanned and then destroyed as approved by HMRC.
2. Disposal of confidential information and records should be done in a secure manner in compliance with current data protection legislation. If records are shredded using an external company then a Destruction Certificate should be obtained and retained.
3. The School should approve a schedule for the retention of financial and non-financial records. Records held within School should be reviewed annually in accordance with the retention document.

T. EXTENDED SERVICES

1. If a School decides to provide extended or 'wraparound' services these need to be formally agreed and approved in advance by the Governing Body. In addition, a nominated officer should be appointed within the School to manage and coordinate the additional services and ensure that the Governing Body is provided with regular budget monitoring information on the financial position of the services being provided. The extended or 'wraparound' services should be managed in line with the principles of these financial regulations and procedures.
2. To enable the Governing Body to make informed decisions on the effectiveness, an initial projection of income and expenditure plan must be prepared. The plan should include details

of all potential 'losses' to the School so that the Governing Body can approve the funding that will be required from the 'mainstream' School budget to support such services. Where the initial funding from the 'mainstream' budget is not sufficient, approval of the Governing Body must be obtained for any additional shortfall in advance.

3. Costs and income should be recorded using the extended services codes:

Extended Services Employee Costs: 111500 – 111515

Extended Services Resources: 146150

Extended Services Income: 231080

4. It is important that on-going monitoring of income and expenditure is undertaken so that the Governing Body is fully appraised on the impact of the additional provision on the School's budget. The financial information relating to extended or 'wraparound' services including any identified losses should be reported on a regular basis with the agreed actions and approvals formally recorded within the Governing Body minutes.
5. If the above codes are not used, internal monitoring of costs incurred against other codes will need to be performed. Transfers of costs between codes can be actioned in School to simplify the monitoring process.
