

Reading at Mugginton

Hi my name is S and I am 8 years old. I love to read at Mugginton because of the great selection of books we have and the dog we can read to!

My favourite author is Roald Dahl because he has written lots of books and they are all fun and interesting. My current favourite book is Maggie Blue and the Dark World because you are always wanting to know more and can't put it down!

My favourite fiction book is Harry Potter and the Goblet of Fire and my favourite non-fiction book is THE BIG BOOK OF MAPS. I also like Julius zebra. We start every day with quiet reading and also do it after lunch. On Tuesdays we do buddy reading where you get paired up each term and read to each other (called OTTER time). I am paired up with Joe.

Next September, I am going with Mr Green and other reading fans to Waterstones to choose some new books. The infants use colours for each set of books you're on. The infants also learn something called phonics which is learning how to say sounds.

Finally, we have four Reading Lists, Fox, Badger, Otter and Owl. These are lists of 30 or more books you have to read. Once you have read 20 from the list (or 15 and 5 of your own) you get a prize and can get the next list.
